PUBLICATIONS ON SPEECH RECOGNITION

1. Carey M.J, Tattersall G.D and Parris E.S, *A signal spectrum subtraction algorithm for robust speech recognition*, in *Proc. Robust Methods for Speech Recognition in Adverse Conditions*, (Tampere, Finland), May 1999.

2. Ambikairajah E, Tattersall G.D and Davis A*, Wavelet Transform Based Speech Enhancement*, Proceedings of the ICSLP'98, Sydney, Australia, 1-4 December, 1998.

3. Carey M.J, Parris E.S and Tattersall G.D*, Pitch estimation of singing for re-synthesis and musical transcription*, in Proc. EUROSPEECH-97, (Rhodes, Greece), pp. 887-890, September 1997.

4. Cabral E and Tattersall G.D, *Trace segmentation of isolated utterances for speech recognition*, ICASSP 95. Vol1. pp365-369, May 1995.

5. Ambikairajah E, Keane M, Kilmartin L, Tattersall G, *The application of the wavelet transform for speech processing*, Proc. Eurospeech 1993.

6. Tattersall G.D , Lee G., Smyth S, *A comparison of hidden control neural networks and hidden markov models,* IOA Autumn conference, Windermere, November 1992.

7. Tattersall G.D and Lee G., *Isolated word recognition using a neural network based source model,* BTTJ, vol 10, pp 38-47.July 1992.

8. Xu Li-Qun, Yu Tie-Cheng , Tattersall G.D, *Speech Recognition Based on The Integration of FVSQ and Neural Networks* , ICLSP, Kobe Japan, 1990.

9. Tattersall G.D, Linford P.W, *Finding Temporal Features of Speech Using Kohonen Networks,* Proc. Inst. Acoustics, Autumn 1990.

10. Tattersall G.D, Linford P.W, *Non Linear Time Normalisation of Utterances for Speech Recognition Using MLPs*, Proc. Inst. Acoustics, Autumn 1990.

11. Tattersall G.D, *DTW Template Generation Using Kohonen Neural Networks,* Proc. Speech Tech Conf. May 1990. London.

12. Tattersall G.D, Sixsmith M.J, Rollett J, *N-tuple Techniques for Speech Recognition* , British Telecom Tech. J. vol 8, no.2 April 1990.

13. Tattersall G. D., Linford, Linggard R. D. *Neural arrays for Speech Recognition,* BTTJ, Spring 1988.
